## Taunus exit 2023

Dear GT Friends,

We are organising another Opel GT outing in 2023.  
This year we will drive through the Taunus and "climb" the Großer Feldberg near Frankfurt.

We will meet on 08.07.2023 from 9:00 am at the

H+ Hotel Frankfurt Airport West  
Casteller Straße 106, 65719 Hofheim-Diedenbergen

The H+ Hotel is located west of Frankfurt near the Wiesbaden intersection and is both the starting and finishing point of our exit. It offers us the possibility to have a small snack with coffee, water and croissants for 9€ before the exit. After the round trip at around 1:30 pm, we will have time for a delicious lunch a la carte and plenty of space to exchange ideas over petrol talks.

The ride starts at 10:00 a.m. in small groups, leads approx. 110 km in approx. 2.5 hours through the Taunus and offers beautiful and winding roads as well as a great view of Frankfurt. The Feldberg plateau invites you to take a short break. There are also plenty of opportunities to enjoy the views along the way.

For easy driving along the route, we provide an illustrated route description for each registered vehicle. Our drive is not a picture search drive, nor is it a rally. There will be no special stages or similar.

In order to prepare the tour description according to your needs and to reserve a table at the hotel, we **kindly ask you to register for the tour on our homepage [www.gt-ig-bergstrasse.de](http://www.gt-ig-bergstrasse.de) by 08.06.2023.**

We look forward to your active participation.

gez. The Board of GT IG Bergstraße e.V.
